For the Race & Putt Package, We will run your race first, then go into the party room for 1 hour. This allows for time to complete the actual birthday or party events (such as pizza, cake and presents). Once you have completed your party events, we then gather the children and or adults for mini-golf. The party room will need to be cleaned out of your personal belongings at this time.

We value the safety of all racers & golfers. You will be instructed as to the rules and regulations of play and are expected to abide by them at all times.  
If a racer/golfer is unruly they will be taken off the course.  
Anyone using foul or offensive language will be asked to leave the facility!

Must be at least 55" tall and 13 years of age to ride Adult Karts.
