The private party room, once reserved, is for 45 minutes plus mini-golf afterwards. This allows for time to complete the actual birthday or party events (such as pizza, cake and presents). Once you have completed your party events, we will then gather the children and or adults for mini-golf. The party room will need to be cleaned out of your personal belongings at this time.

Please keep in mind that you are reserving the party space and the time. The number of guests that show up to the party have no effect on the price unless it is over our allotted amount. If fewer guests show up than you expected the price is still the same as we usually turn down many people for party times that have been previously booked. Your party will start at the designated prearranged time. We can not push back the time of your party for late guest.

We value the safety of all golfers. You will be instructed as to the rules and regulations of play and are expected to abide by them at all times.

If a golfer is unruly they will be taken off the course.

Anyone using foul or offensive language will be asked to leave the facility!

**A Non-Refundable Deposit of \$50.00 is due at time of Booking.**
